2019 WESTWOOD FOUNDER'S RESERVE PINOT NOIR ANNADEL GAP VINEYARD, SONOMA VALLEY, SONOMA COUNTY

Tasting Notes

Extremely well structured, this 7-barrel selection showcases the most opulent expression of the Annadel Gap Vineyard: dried blueberry, rich cherry and pomegranate aromas followed by a broad textured finish. This wine displays both the elegance of the cool climate influence as well as the depth and richness of the clonal selections.

Vineyard

The Annadel Gap Vineyard is a special place. Our site is characterized by thick morning fog and strong afternoon winds. Alluvial, glacial, and sedimentary influences create a wide array of soil types. Ideal growing conditions, varied soils, and our minimal-impact farming methods yield precise, balanced fruit.

Winemaking

Each Pinot Noir clone was hand-harvested at night, hand-sorted, then tank fermented in open-top stainless steel and oak uprights. Averaging 10% whole clusters, it remained on skins for 17 days, then basket pressed and aged in French oak barrels for a total of 18 months – approx. 50% new oak, 50% 2-3 years old oak.
